Weisgerber MSPHC, Laurel Flynn MSPHC.

1. (August meeting minutes please see web-site)
2. Pfizer Inc. Territory Manager Karoline Jones representative reviewed PCV13, provided vaccine update, brochures.
3. Mobile-Vaccine Project Evaluation/Report presented by Carol Koliadko (will be placed on website) Further Coalition Critique;
 - On the client information form "Primary Provider" was confusing as some people would put "mother". Change to Family Doctor or something more commonly understood.
 - Importance of obtaining management signature to sign-off on agreement of parking was emphasized
 - Medical Assistants can give vaccines if a physician or nurse practitioner is on site (for instance the Charter College APN could oversee Medical Assistants for vaccination)
 - Have on hand and give out based on assessment the Denali Kid Care Applications
 - Have on hand MSPHC's services brochure
 - Suggested to advertise earlier 3 to 4 months ahead
 - More Radio PIA at better time of day
 - Utilize the Public School "Connect Ed" Messaging system
 - Provide 2 Mobile Vaccine Projects a year (one in Spring and one end of Summer)
 - Karoline Jones is active in her local Vaccine Coalition – which also provides a Mobile Vaccine Program. She will provide contact for obtaining information about their best practices for their Mobile Projects. This information could be helpful in our future planning and programming.

Thank you to everyone who participated in planning and volunteering for the Mobile Vaccine Project. 'Thank You' certificates and letters are being prepared to mail to volunteer agencies and individuals who participated.

4. Newsletter. Consensus to keep calling the newsletter " Mat-Su Vaccine Coalition Newsletter" rather than give it another name. Submissions are welcome for review and entry into the newsletter from medical providers, nurses, parents, public, etc.
5. Flu Vaccine 2010-2011. As of September 15 MSPHC still awaiting their flu order.
6. Coalition memorandum of agreement forms. . . . take them, copy them and invite your colleagues and friends to join and participate with the coalition.
7. Next Meeting – Wednesday, October 20, 2010 12:30-1:30 Mat-Su Public Health Center.

Recorded by Carol Koliadko
